Medication Guidelines:

Members of the camp staff are certified in the administration of Oral, Topical & Inhalant medication and Epinephrine Auto Injectors. Please notify the Director if your child requires medication to be stored at camp. It is the parent's responsibility to include, with your registration packet, an Authorization for Administration of Medications by Youth Personnel for each medication (form included within this packet) – to be completed by your child's physician. Without the physician's authorization, camper status will be denied. Medication brought to camp must be non-expired, in original packaging and have your child's prescription label attached (when applicable). PLEASE NOTE: Be sure the prescription label matches what your doctor has listed on the administration form (ie: Epi-pen vs. generic Epinephrine injection such as Adrenaclick). New state guidelines also require campers that have medication at camp to have an Individual Plan of Care on file.

Parents will be required to read all health guidelines and sign receipt of the guidelines before their child(ren) can attend camp.

Rain Day Policy

Camp is in session rain or shine! In the event of rain, campers will still participate in fun and effective modified golf, tennis and swim lessons. The camp will have other rainy-day activities for the campers to participate in. No more than one movie will be shown to campers on a rainy day. Swimming will only be canceled in the event of thunder or lightning, so please send your child with a bathing suit. Also, provide a sweatshirt as we may be participating in activities in the air-conditioned Clubhouse.

Behavior Policy

Please familiarize yourself with our new camp behavior policy as it will be strictly enforced.

- If a camper needs to be spoken to more than 3x by their counselor they are to have a conversation with the camp directors.**
- If the behavior continues after speaking with the camp directors, the camper's parents will be called and they will need to be picked up from camp promptly.**
- They will be welcomed back to camp the next day, but if the behavior persists they will need to be picked up and will lose access to the camp and its activities for the remainder of the week with no refund. The campers acceptance back into camp for future weeks will be determined by the camp directors and general manager of the club.**

If it is determined a camper poses an immediate threat to another camper, they will be immediately referred to the camp director, and next steps will be determined at the director/ general managers discretion.

Drop Off / Pick up

The camp day ends promptly at 2:00 pm. To help make pick up run smoothly, we ask that you drive up the driveway to your assigned location. Remember to pull all the way up. Your child will be escorted to your car. If it is necessary for you to speak to someone on staff during pick-up, please email Gina at ginzitari@ccdarien.org to arrange a time to speak. If someone else will be picking up your child from camp, please alert the Camp Director or Assistant Director with a note or email. No child will be released from camp unless written permission is provided by the parent. If your child will attend a lesson at the club after camp, please alert the Camp Director with a note or email. Members are responsible for knowing the tennis/golf/swim schedule. No child is allowed to remain at the pool after camp unattended.

Late Pick Up Policy

Camp Keewaydin ends at 2:00 pm daily. Parents should make every effort to pick-up their children on time. Please consider weather and traffic conditions when making your pick-up arrangements. If you know you are running late, please call the front desk. Any child that is still here after 2:10 pm will incur the following fees: \$2.00 per minute, per child.
